

## Defining “transitions”

1. An act, process, or instance of changing from one state, form, activity or place to another.
2. Passage from one subject to another
3. Music - a passage connecting two themes - Webster's II, New Riverside University Dictionary

### SB 5441 specified transition issues:

Remediation in mathematics, science and language arts  
Helping students stay in school  
Providing for smooth transitions to K-12 programs  
Common articulation of lower division work  
Providing for smooth transitions from high school to college, including dual credit options and adequate preparation for college-level coursework

### HB 1152 specified transition issues:

Ensure children receive continuity of care  
Provide for smooth transitions from early learning programs and services to K-12

### Current discussions related to transitions include the following topics and steps:

Concepts include seamlessness through the systems, successful communication, aligned requirements, efficient use of time and resources, clear choices, etc.

#### **Early Learning:** Between preschool & childcare and Kindergarten & 1<sup>st</sup> grade
